## Our cookie policy

Welcome to our website. This policy explains how we use cookies and similar tracking technologies to enhance your browsing experience and gather information that helps us improve our site.

#### 1. Understanding Cookie

Cookies are small text files that are stored on your device when you visit a website. They help the website remember your settings and preferences over time. Our website uses various types of cookies and tracking technologies, each serving a specific purpose and improving your browsing experience in different ways.

#### 2. Types of Cookies We Use

- **Necessary Cookies:** These cookies are essential for the basic functionalities of our site. They enable core features such as user logins, account management, and secure areas of the website. Without these cookies, our website cannot operate effectively. For instance, we use Google reCAPTCHA to prevent spam and ensure the security of our users.
- **Functional Cookies:** Functional cookies enhance your experience by remembering your preferences and settings. This means that when you return to our site, settings like your login details can be automatically configured for your convenience.
- **Statistics Cookies:** We use statistical cookies to collect aggregated data on how visitors interact with our website. This includes metrics like the number of visitors, the pages they visit, the duration of their stay, and the type of device used. This information helps us understand user behavior and improve our website's design and functionality.
- **Third-Party Cookies:** We partner with third-party providers such as Google to enrich the functionality of our site and offer personalized content. Google may use cookies to deliver targeted advertisements based on your past visits and interests. These cookies help us better understand your preferences and tailor our offerings to suit your needs.

#### 3. Your Choices

You have control over the use of cookies on our site. Most browsers allow you to block or delete cookies from your device. However, if you disable cookies, some parts of our site may not work as intended, and your user experience may be affected.

**4. More Information**

For more detailed information on how we use, store, and keep your personal data secure, please refer to our Privacy Policy. If you have any questions about our use of cookies, please feel free to contact us directly.
